 Date of Birth: 12/05/2016

We hit the jackpot with this Cherokee Cnyn daughter from our Mystique donor cow. She exemplifies all the most desirable characteristics we were hoping for from this pairing. Of course she was the only calf to get a little frostnip on the ears in 2017, largely because she came a bit early and was born in the middle of a subzero night. Really looking forward to adding this one to the lineup!
